PROPOSED REISSUANCE OF A GROUND WATER WITHDRAWAL PERMIT

TO NEW KENT COUNTY (Quinton Park Subdivision Water System)

PUBLIC NOTICE DATE (January 25, 2005)

New Kent County has applied for a ground water withdrawal permit to withdraw 5,365,500 gallons per year with a monthly maximum of 643,860 gallons of ground water for the Quinton Park Water System. The proposed withdrawal utilizes the Middle Potomac Aquifer at a depth of approximately 305 to 544 feet below land surface. The annual withdrawal limit equates to an annual daily average of 14,700 gallons per day. The water system consists of one well located on Quinton Park Trail approximately 500 feet west of the intersection of Henpeck Road (State Route 665) and Quinton Park Trail in the southwestern part of New Kent County.

Interested persons may contact the DEQ Permit Writer, **Dr. B. N. Sinha**, for further information about this permit and the applicable state law and regulations by calling (804) 527-5054, or by emailing him at bnsinha@deg.virginia.gov. The mailing address of the facility owner is New Kent County, P. O. Box 50, New Kent, VA 23124.

The DEQ Piedmont Regional Office has tentatively decided to issue this permit, and will accept public comments and requests for a public hearing for 30 days from the first publication date of this notice. Comments can be submitted by email to Dr Sinha or mailed to his attention at 4949-A Cox Road, Glen Allen, and VA 23060. Comments must include the name, address and phone number of the commentor along with a concise explanation of the issues of concern. A public hearing will be held if there is significant public interest and disputed issues relevant to the permit. If a hearing is scheduled, due notice will be given and the final decision to issue, amend or deny the permit will be made by the State Water Control Board.
